2026

Overall scores

Score visibility	Climate change	Forests	Water security
Private If you were requested by any Supply Chain members or Capital Markets Signatories, they can see these scores.	B	-	C
Public Visible on your organization's profile on the CDP website.	B	-	C

Category scores

Category scores are combined to produce your overall score. Some categories have a higher weighting than others to reflect their importance, which varies depending on your sector. Not all categories are relevant to every environmental issue. View scores guidance.
